Re: Chambliss for Senate Year End Report (11/26/02 – 12/31/02)

Dear Mr. Whyrick:

This letter is in response to your letter of July 30, 2003 regarding the Year End Chambliss for Senate FEC report. I have addressed each of your inquiries separately below:

- 1) Attached please find information for Schedule A pages in which possible excessive contributions were in question. One in question was a matter of father and son. Several in question were the result of different people with the same name. Others had the wrong cycle next to them, but had the correct cycle in the database. Please note the correct cycle listed below. Sara Culbreth's contribution was wrongly attributed when first reported. We were advised by our legal counsel that if a refund was issued and she recontributed the money with the correct designation that the contribution would be permissible. All of this was handled in good faith and through the instruction of our contributors.
- 2) We reported the full name and address of all individuals that contributed in excess of \$200 and have demonstrated our "best efforts" to obtain all occupation and employer information. All of our solicitations include a clear and conspicuous request for their information, as well as the requirements of federal law for the reporting of such information. In addition, we made a follow up to this request through phone calls and e-mails. Unfortunately, we were still unable to obtain this information and have exhausted our efforts.

Thank you for your attention in this matter and please call me if you have additional questions regarding this filing.

Sincerely,

*Elizabeth Bissell*
